

Do You Need A Speaker?

Ask Bill Ferguson

You can select one of the following topics, or we can design a program that meets the needs of your organization.

HOW TO HAVE LOVE IN EVERY RELATIONSHIP AND IN EVERY ASPECT OF LIFE

When love is present you are happy, alive and free. You are creative and resourceful. You radiate a positive energy and life works like magic. In this powerful program, you will learn what creates and destroys the experience of love. You will learn why your life is the way it is and how to have it exceed your dreams.

WHY CERTAIN AREAS OF LIFE DON'T WORK

The areas of life that don't work may seem to be the problem, but they are not. They are symptoms of an underlying condition that creates the problem. Once you take the focus off of the symptoms and address the cause, these areas of life clear up.

HOW TO STAY EFFECTIVE IN DIFFICULT SITUATIONS

When you are full of fear and upset, you lose your ability to see clearly. All you can do is fight, resist, hang on or withdraw. This in turn makes your situation worse. To effectively handle your situation, you need to be free of the fear and upset. This program shows you how.

HOW TO END CONFLICT IN ANY RELATIONSHIP

Whenever a relationship isn't working, there is a cycle of conflict, a cycle of resisting, attacking and withdrawing from each other. Fortunately, it takes two people to create and maintain this cycle. It only takes one person to end it. Once you see your role in the problem, you get your power back. You can turn your situation around.

HOW TO ATTRACT AND KEEP HEALTHY RELATIONSHIPS

Without knowing, we push love away. We attract unhealthy relationships and we sabotage the ones that could be great. Come discover what creates and destroys love. Learn why your relationships are the way they are and how to have them be great.

Bill Ferguson has been featured on Oprah and on hundreds of talk shows across the country. He has led over 2,000 workshops and has worked with thousands of people. His book, How To Heal A Painful Relationship, has become a national best seller. He currently leads workshops and does individual consulting in Houston.
