

## **Invite a colleague to join The Dover Club and win a \$100 gift!**

We want your help finding exciting, dynamic, friendly, successful people to join us as new members. The Dover Club has lost several members over the past year or so and we need to boost our membership.

Here is a list of business categories. Please take a few minutes to think of friends, colleagues, or acquaintances you believe would be a good addition to the Dover Club, and who fulfill any of the categories, or a category you suggest.

Over the next few days, I'll call or email you for the person's name and contact details. Then I'll follow up and invite those people to our Guest Day in August.

### **Win a \$100 Gift Certificate!**

We'll award \$100 Gift Certificates to Dover Members who refer a colleague who joins The Dover Club within 30 days!

Plus, if your colleague joins at the August 19<sup>th</sup> Membership Mixer, we'll offer a 1-year new membership at the current member rate - that's a \$100 savings just for joining during the mixer.

So please give it some thought. Whom do you know who would be an ideal member of The Dover Club?

Thanks!
